

PUROHIT SANDEEP KUMAR

Hyderabad, Telangana | Studying in Udaipur, Rajasthan

✉ sandeepurohit2020@gmail.com 📞 +91-9022706016 🌐 SandeepURO 📄 sandeep-uro

Education

Sir Padampat Singhania University (SPSU), Udaipur, Rajasthan
B.Tech in Computer Science & Engineering (AI & ML)

2024 – 2028
CGPA: 8.4 / 10

Technical Skills

Languages	Python, SQL Familiar: C, C++, JavaScript
ML & Data	NumPy, Pandas, Matplotlib, Scikit-learn
ML Concepts	Regression, Ensemble Methods, Feature Engineering, Model Evaluation
Core Subjects	Data Structures & Algorithms, DBMS, Machine Learning
Tools	Git, GitHub, VS Code, Jupyter Notebook, Google Colab

Projects

Demand Forecast Regression — ML Project *Python, Scikit-learn, Pandas, Matplotlib*

- Built an end-to-end ML pipeline to forecast product demand using 1M+ historical records
- Performed feature engineering (log transform, encoding, date features) reducing MAE by 18%
- Compared Linear Regression, Random Forest, and Gradient Boosting models
- Evaluated using MAE, RMSE, R^2 , and MAPE; selected best model based on accuracy vs performance
- 🔗 GitHub: demand-forecast-regression

Student Record Management System *Python, Pandas, File Handling*

- Developed a CLI-based system to manage student records with persistent storage
- Implemented CRUD operations with input validation and structured CSV handling
- Demonstrated clean code practices and version control using GitHub

AgriSense AI (In Progress) *ML + Web Application*

- Building an AI-powered crop monitoring system for disease detection and smart farming insights
- Integrating ML models with real-time data to provide alerts and recommendations to farmers
- Designing user-friendly dashboard for visualizing predictions and risk zones

Experience

Machine Learning Intern (Virtual) — YuvaIntern **2025**

- Completed structured ML training covering supervised learning and model evaluation
- Applied regression and classification techniques on real datasets
- Built end-to-end ML workflows from preprocessing to evaluation

Achievements & Certifications

- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional — Oracle
- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — Oracle
- Python Programming for Data Handling and Preprocessing — L&T EduTech (First Class)

Hobbies & Interests

- Building ML projects and exploring AI applications
- Contributing to GitHub and learning new technologies
- Problem solving and competitive programming
- Following AI trends and research developments
